

## Course Map - 2016 Relay for Life Fun Run

### Notes:

1. Race will start and finish on the track at Lakeview High School. The start will be on the west side of the track and the on the east side..
2. There will be two distances - 1.5 mile run/walk and 5K (3.1) mile run.
3. Both distances will complete the loop around the high school as shown by the RED line.
4. After going around the red course, the 5K course will continue west past Crockett Street and follow the route shown by the YELLOW line.
5. The 5K runners will come back east on one block of 47th and then turn south onto Crockett to head back to the track.
6. During the race, Crockett will be closed as shown on both sides of East 46th Street.
7. Course marshals will be placed at the purple circled locations on the course and there will be lead & follow bicycles or motorcycles.
8. In case of bad weather, the race course for the 5K will be shortened to 2 laps around the high school complex (race director decision).
