

**2016 San Angelo Road Lizards**  
**ANNUAL CLUB MEETING MINUTES**  
**December, 4 2016**

1. STATE OF THE LIZARDS

Membership has been dwindling, as well as participation in the runs. It was suggested that maybe we should reach out to ASU for membership and maybe hold runs closer to Goodfellow AFB to up race participation since base personnel don't always have access to transportation.

2. 2016 SPONSORS

Shannon Medical Center, Dean McInturff, Heroes, TXU Energy, Randy's Bike & Run Shop, TimeClock Plus, Jeff Lisson, Happy Trails, West Texas Cervical, and Baptist Retirement Community

3. CLUB FINANCIAL REPORT

Club began the year with \$14,706.69 – considering donations to East Concho Volunteer Fire Department (\$4,000), and the Concho Valley Community Action Agency (\$5,020, Crazy Desert Proceeds), the overall year end budget of \$6,326.20 is encouraging with an approximate gain of \$600. Budget intentionally reduced to reduce liability and protect 501-3c status.

4. NEW BUSINESS

- Election of 2017 Board of Directors occurred; they will take over the club on Jan 1, 2017.
- New Board is:
  - President – George Orr
  - Vice President – Daniela De La Cerda
  - Secretary – Wilma Morales
  - Treasurer – Rachel Campbell
  - Member-at-Large – Tim Smith
- Additional Board Members are:
  - Webmaster – Wilma Morales
  - Social Media – Cliff De La Cerda
  - Social Director – Kent Fish
  - Equipment Manager – Ross McClellan

5. 2017

- CHALLENGES

- Volunteers for races
- Race Reporting/Budgeting still not optimum – need a better reporting mechanism for Race Directors.
  - Ensuring the race results are reported in a timely manner
  - Making sure revenue and expenses are properly reported
- Coordination with other local groups, getting better but needs work.
  - Team RWB
  - SABA
- Number of group activities is low; we could do better as a club. The Good, Bad & Ugly is one going well; Kent and Mike doing hash and night fun runs.

- More fun runs & socials would be good
- Shiner Run – Joyce will coordinate group participation for next year – everyone thought beer was a great reason to run!
- Race Directors set for 2017 calendar except for 2 races: Relay for Life and Red Rudolph Run.
  - Relay for Life 5K – Bill Cullins will provide guidance for the volunteer race director
